How we use this data

Collecting this data helps us understand what you are looking for from the company, enabling us to deliver improved products and services.

Specifically, we may use data:

- For our own internal records

- To improve the products and services we provide
- To contact you in response to a specific enquiry
- To customize the website for you
- To send you promotional emails about products, services, offers and other things we think might be relevant to you
- To send you promotional mailings or to call you about the products, services, offers and other things we think might be relevant to you
- To contact you via email, telephone or mail for market research reasons.

Cookies and how we use them

What is a cookie?

A cookie is a small file placed on your computer's hard drive. It enables our website to identify your computer as you view different pages on our website.

Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable us to see information like how many people use this website and what pages then tend to visit.

How we use cookies

We may use cookies to:

Analyse our web traffic using an analytics package. Aggregated usage data helps us improve the website structure, design, content and functions.

Hypro Developments Ltd

Identify whether you are signed in to our website. A cookie allows us to check whether you are signed in to the site.

Test content on our website. For example, 50% of our users might see one piece of content, the other 50% a different piece of content.

Store information about your preferences. The website can then present you with information you will find relevant and interesting.

To recognize when you return to our website. We may show you relevant content or provide functionality you use previously.

Controlling cookies

You can use your web browser's cookie settings to determine how our website uses cookies. If you do not want our website to store cookies on your computer or device, you should set your web browser to refuse cookies.

However, please note that doing this may affect how our website functions. Some pages and services may become unavailable to you.

Unless you have changed your browser to refuse cookies, our website will issue cookies when you visit it.

Controlling information about you

When you fill in a form or provide your details on our website, you will see one or more tick boxes allowing you to:

Hypro Developments Ltd

- Opt-in to receive marketing communications from us by email, telephone, text message or post
- Opt-in to receive marketing communications from our third-party partners by email, telephone, text message or post.
